

Fire District 16 Minutes Special Work Meeting

Meeting Date- March 28, 2008

Attendance

Commissioners- Sam Wright, Roger Prater, Tim Kenyon, Secretary- Ken Thompson

1:20 PM- As chair Sam brought the meeting to order.

Sam identified the very limited scope of this special work meeting.

Only the fire truck (which was discussed during the earlier meeting) and a response to the petition presented to the Commissioners by Jim Eisenbarth during the March 10th meeting could be discussed.

The commissioners could not discuss any further business of the fire district such as funding and the commissioners could not introduce any resolutions.

Tim asked the Commissioners if he should continue to gather more information concerning a fire truck that could become available to the Fire District. The commissioners agreed more information about the fire truck would be useful.

The Commissioners then discussed the petition presented to them by Jim Eisenbarth and agreed to possible responses to the petition.

A motion was made to adjourn the meeting and the motion was seconded.

3:15 PM- The meeting was adjourned.
